Important Info!

March Magic Family Involvement night will be held March 26, in the R.B. Stewart Cafeteria between 6:00 p.m. – 7:00 p.m.

We would really like to see all of you there! Besides who would want to miss out on the Fun?

Q & A

Q: How many gallons of water, Do Americans waste each year?

A: Americans use more than a TRILLION gallons of water for showering each year.

Editor's Note: We would like to hear from you! Drop us a note or question in the suggestion box. Each Month we will feature one of those thoughts, ideas or questions!

Souper Drive

This month Our DELTA Academy Kiddos have launched their first major community service Project! They will be finding ways to help support their local *Meals on Wheels* Location. Why? Simple. Nearly 1 in 6 seniors in America may not know where their next meal is coming from. We are all excited to not only help out those in need, but to see the personal growth that will come to those working on this project!

Happy Birthday!!!

Anna McCue March 4

Alexis Pickrell March 5

Mucio Gomez March 16

Isaiah Lawrence March 30

What you missed during Spring Break!

Spring Break @ DELTA was AMAZING! We had some crazy physics, started construction on a rollercoaster. Began a tennis Club. Played really awesome outdoor games! We drank some Leprechaun floats. Had a crazy cold science experiment! There may have even been some pizza involved, but there was evidence left behind. There was definitely no sign of Boredom anywhere!!!!
