

# DELTA ACADEMY

## Hudson Middle School

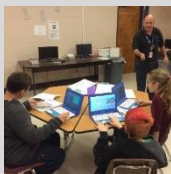

April 2016

Homework assistance is being offered every day between 3:00pm-5:00pm. Mrs. Snyder and Mrs. Starr are both available to assist all students who need help with their homework.

### Video Game Design

Designing video games is a lot of fun but it is also hard work. Many times designing games takes collaborative effort by teams of talented people. Game design requires critical thinking and creative vision. Many different types of people come together to make the games we enjoy playing! The student will explore all of the different aspects of game design, from programming and animating, to graphic design and story development. There is also sound and music to consider when creating a game. The students will learn how a game works as a dynamic system. In addition, they will discover what makes a balanced game.

#### Spring Break Activities:

March 21<sup>st</sup>-28<sup>th</sup>

Science

Mosaic Art

Dodgeball

Math Challenge

Egg Scavenger Hunt

Board Game Design

### Architecture

STUDENTS ARE STUDYING ARCHITECTURE USING PRACTICAL SCIENCE AND MATH ACTIVITIES. STUDENTS WILL USE THEIR ENGINEERING SKILLS TO BUILD AND DESIGN FAMOUS STRUCTURES. STUDENT ARE ALSO USING EVERY DAY ITEMS TO EXPLORE BASIC ARCHITECTUAL DESIGNS.

#### Family Literacy Night:

DELTA EXPO

Passport to The Strange and Unexplained

Thank you everyone who attended!

The students did a fantastic job on their projects. We really appreciate you showing your support!

A BIG thank you to Mrs. Starr and Mrs. Jennifer for all that you did to make the EXPO a hit!

Mark Your Calendar

The next Parent Involvement Night:  
March 31, 2016 at 5:30pm  
Jeopardy; STEAM Style
