September Newsletter

We want to welcome Sage Remmers to DELTA she will be working with the students as a senior.

The student will be engaging in different enrichments that will help them grow and learn about the world around them.

They will be learning about the different Artists and how they shaped the world of art, as well as how the world of Rockets and how they work.

These new enrichment will start in October.

We will change the enrichments every six weeks, to give the students something new and exciting to learn about.
