Newsletter

Raymond B. Stewart Middle

April 2015

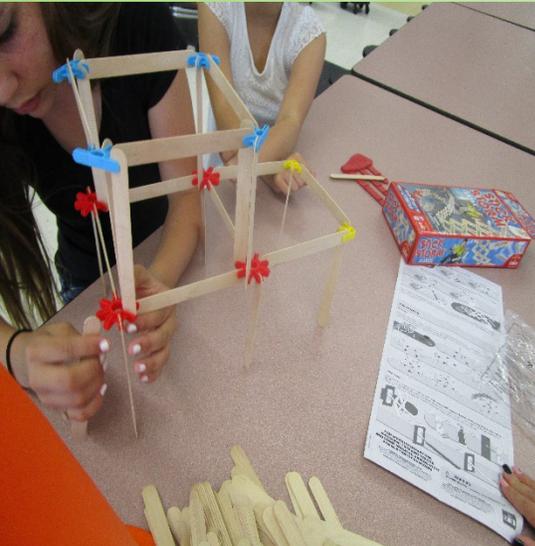

Important Info:

April's Family Involvement night will be April 27, 2015 from 6:00 p.m. – 7:00 p.m.

Please remember that students must have regular attendance at DELTA Academy. Just like being a member of a sports team, regular attendance at practice is expected in order to participate. The earliest pick up time is 5:45 p.m. DELTA Academy is also open on Non-School Days. The Hours are 1:00 p.m. to 6:00 p.m.

What is personal Enrichment?

Everyday your child is involved in a personal enrichment activity of their choice. This gives them control of their afternoon, and opportunities to learn about things that interest them!

Currently running Enrichment activities are: Video Game Design, Presidents Fitness Challenge, "Souper!" Drive, Survivor Science, Tennis Club, and a newsletter club.

Why I Love DELTA!!

-Logan Sims

I love DELTA because we have a lot of fun! Yes, there are times where we have to sit down and actually learn something; but it usually ends up with us learning in a way that is more fun than a normal classroom! We have many activities both indoors and out! Right now we are even doing a Presidential Fitness Challenge Club, and a Tennis Club! There's a little bit of something for everyone. Did I mention that we do a lot of really fun things?!

Happy Birthday!

Katie Murphy – April 1

R'eceley Formby – April 7

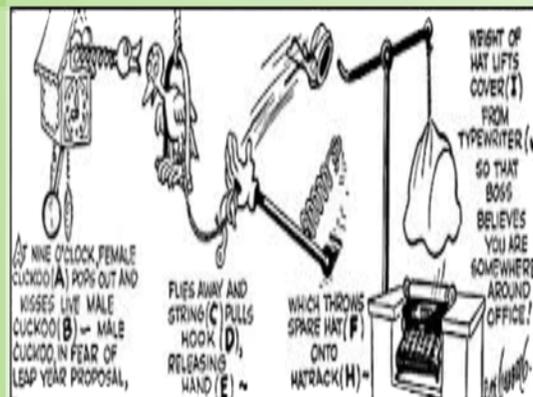

Brandyn Boydston – April 24

DELTA Spot Light!

This student was born on May 31. Their favorite movie is Space Balls. Their Favorite Actor is Vin Diesel. Their Favorite Video game is Spider Man 3. Do you know who this student is? If you guessed Damian Lundy, you're right!

What is PBL Enrichment?

This is a project based activity that students engage in daily. Currently, students are designing, building, and presenting a complex contraption created using the style of Rube Goldberg.
