May 2016

Personal Enrichment Opportunities

Students Choose and Activity to Explore

DELTA Academy students will be choosing an activity to dig deeper into. Students who choose **Photography** will learn about the cultivating creativity. **Rockin Robotics**

will focus on technology design. Students who are interested in **Journalism** will learn about the different forms of journalism.

Happy Birthday!

Taylor-Ann Hatfield 5/2

Angelica Serrano 5/5

Vanessa Vidal 5/9

Connor Prickett 5/11

Skylar Speckhardt 5/22

Chloe Douglas 5/29

Damian Lundy 5/31

Family

Involvement Night

Our next family involvement will be June 27, 2016.

Our theme will incorporate teambuilding with the guys from Giving Tree Music Student helped build and create the drums.

Imagine a circle of kids, drumming together, holding a common pulse, and weaving a facilitated rhythm into a cohesive musical experience!
