Personal Enrichment Opportunities

Students Choose and Activity to Explore

DELTA Academy students are continuing to exploring the different aspects of their

chosen Career Enrichments. They have been working very hard on their projects.

Happy Birthday!

Dustin Brodeak 9/22

The DELTA Academy students have decided to donate their unopened snacks to the Thomas Promise Foundation every week for their Community Service Project in order to help fellow students that do not have food for the weekends.

The first three weeks of the DELTA Academy are off to a great start. Our first Parent Involvement night was held August 30th. We had a great turn out. We will be offering many different opportunities for parents and families to gain insight through our community presenters at our Family Involvement Nights.
