Home Work

Please remind your child that it is their responsibility to get their homework done at DELTA. We give them two hours to work on their homework while they are here at DELTA.

We would like to welcome our new Site Manager Andrea Yebra to the DELTA Academy. Mrs Yebra comes to us from a High School in Tampa where she taught English. We are Glad to have her here in.

We would like to Thank St Leo College for coming to our DELTA program to help the students learn what it takes to get into college. The students had many questions to ask Ms. Colby.

Dates to Remember

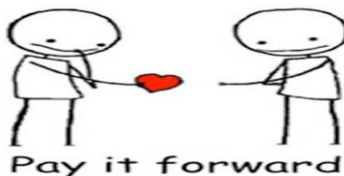

Please join us for our Family Involvement Activity!
When: January 23, from 5:30-6:00 p.m.
Topic: So You Think You Know Me

We will not have DELTA or school on January 15, 2018

Kindness Challenge

Last month the students were challenged to do thirty days of kindness acts and to get as many people signed up to do the kindness challenge as well. Most of the students lost their paper work they had to fill out to show what they did. The students have asked if we could try again. Once they are back from winter break we will try again. If they all can complete the kindness challenge, we will have a pizza and ice cream party. Please help your student complete this challenge by pointing out the great things they do for others each day.

ENRICHMENT CORNER

We have started our new enrichments for these 6 weeks: **Health and Fitness for Astronaut's**: The students will learn what an astronaut has to do to get into shape before going into space.

CSI: Students will learn how to become a detective.

Bowling: Students will learn the history and the game of Bowling.
