### The Making of the Wild Things!

### April Newsletter

#### Home Work

Please remind your child that it is their responsibility to get their homework done at DELTA. We give them two hours to work on their homework while they are here at DELTA.

For this month's Science PBL, students created their own "Wild Thing" as well as its imagined habitat.

#### ENRICHMENT CORNER

*New Enrichments will begin*

*April 9<sup>th</sup>!*

**Cosmetology:** Students will learn the basics of self-care and healthy beauty routines through careful research and application.

**Softball:** Students will develop the skills and strategies necessary to play this favored team sport.

**Art with a Twist:** Students will try their hand with a variety of media to showcase their artistic sides.

**Journalism w/Photography:** With some guidance from Mr. Gary Hatrick, students will continue grooming their journalistic skills and begin incorporating true photography into their works.

#### Dates to Remember

Please join us for our Family Involvement Activity!

Our next meeting will be held on **Wednesday, April 18<sup>th</sup>** at 5:30 PM. Our topic for this activity is **"Summer Camp Enrollment!"**

We look forward to seeing you there!
