4th Quarter
March 26 - May 13th

Sports Skills and Drills

This activity consists of a variety of sports drills and exciting fun. For the beginner, or the established athlete, Skills and Drills is a fun relaxing way to try your hand at a new sport with encouragement and support from the site staff and fellow team mates. Adult supervised and directed, Skills and Drills helps students realize the importance of collaboration and teamwork.

Scholar's Club

This activity provides time for students to complete homework, receive tutoring, work on grade recovery and build upon valuable educational skills.

Project Based Learning (PBL)

This prepares students for academic, personal, and career success, and prepares students to rise to the challenges of life and the world they live in. Activities are planned and implemented collaboratively with staff and students based on student interest and community need. Project Based Learning unleashes a contagious, creative energy among staff and students.

Techno Time

This activity is a block of time that allows students to complete projects they may currently be working on, engage in new computer-based projects and activities, or just research individual topics of interests. Techno Time provides access to the technology that drives student achievement and 21st Century education.

Enrichment Program Tracks

These are specialized sessions provided twice weekly over a seven-week period. During EP Tracks, students will have an opportunity to engage in exciting activities led by special guests who will give students real coaching and hands on opportunities in a variety of topics.

Track 1 – Theatre & Improv: The purpose of this enrichment is to build students' performance skills through coaching and performing. Students will build teamwork skills, responsibilities, and a sense of commitment.

Track 2 – Home Economics: In this unit students will learn basic life skills such as banking, taking care of children (using an egg), create a family/single budget, sewing basics, eating healthy, personal hygiene, job skills and will include a Behavioral Health Care Presentation from Bay Care.

Friday Frolics

This will provide time to wrap up the activities from the week and give students an opportunity to enjoy special activities or events. Designed with student interest in mind, activities or events may include; a field day, a dance, movie time, video game tournaments, special presentations or any other just-for-fun activity that the students may enjoy.
