Workshops and lunch available for administration, site based management or frontline direct care providers. View the latest in resources and meet vendors in the exhibit area, network and interact with your peers and colleagues while enhancing your knowledge of common interests and challenges in the profession of school age child care.

Opening Presenter, Steve Turner
Founder of Giving Tree Music

Steve Turner has been traveling across the United States making music and building community for over 2- years! At Giving Tree Music, their mission is to bring people together using the drum as a vehicle. It doesn't matter who you are, you can connect with those around. Steve will have participants drumming, dancing, singing and laughing together as he kicks off this highly engaging and interactive experience.

Keynote Speaker, Dr. Gale Gorke
Executive Director of Kids Kan Inc.

Dr Gale Gorke has been a public school educator nearly 40 years, teaching at both the elementary and secondary levels. She currently is the Executive Director of Kids Kan Inc., an organization that specializes in staff development, activity selection and program implementation. Gale has served as an adjunct professor for several universities. Her Ed.D. in Curriculum and Instruction focused on academic intervention in after school programs and her Ed.S. is in School Psychology. She effectively models teaching that accommodates for all student's ability levels and reflects a keen awareness of child and adolescent development and brain-based learning principles. Her enthusiasm is contagious! Gale believes the best way to learn is through play and the way you show up for the game is the way you show up for life
